

**No caps. No Gowns. No weighty speeches; just one knock-out after another.**

**Meet the women graduating from IMPACT Personal Safety, a professional self-defense and personal empowerment program for women. Our graduates learn the awareness and verbal skills to avoid most assaults, but if it should come to a fight, they are fully prepared to knock an assailant out.**

**IMPACT Personal Safety is a non-profit, 501(c)3 organization**

Your generous support will help forward our mission to *end the cycle of violence*. Every woman deserves the right to defend herself; thank you for helping us make that possible!
